# Vonda Beerman

## INTRODUCTION

Thank you for allowing us to introduce our ministry. With much patience and love the Lord has drawn our family closer to Him. As our love for Him has grown, sharing the gospel has become the focus of our lives. The Lord has blessed Vonda with an “Angelic” soprano voice which she has dedicated back to Him. This exchange of gifts has provided us the privilege and rich blessing of this gospel music ministry.

Vonda, and her family when possible, travel the country sharing sacred concerts at churches, spiritual retreats, camp meetings, prisons, evangelistic crusades, and wherever else the Lord leads. Vonda’s concert is non-doctrinal and the focus is upon the love of God. The music Vonda presents is a unique mixture of styles that please every audience. Her music is primarily light inspirational with a mix of *praise, southern gospel, and hymns* that inspires the hearts of all ages. Her concert can be tailored to fit the occasion or a particular audience. Vonda typically sings with music from accompaniment tracks but will be glad to sing with piano accompaniment when requested and provided.

Vonda is privileged to be a vocalist and spokesperson for The Quiet Hour—a nonprofit ministry dedicated to proclaiming the gospel to the world. Their many outreach ministries include international television and radio broadcast, worldwide mission outreach, health education training and resources, Bible correspondence school, publishing ministry, and much more. For more information contact their website at [www.TheQuietHour.org](http://www.TheQuietHour.org). As The Quiet Hour vocalist Vonda is privileged to record production music for their radio and television broadcasts, participate in international evangelistic crusades, provide music for Ambassadors of Hope spiritual retreat weekends, and more. As a field representative for The Quiet Hour Vonda closes her concert with a brief testimony of her association and personal experiences with them.

It is our prayer that our music presentation will be used as a church and community outreach. Our music provides the opportunity for members to invite friends into a church environment which is not intimidating. Music provides a common link between denominations and serve as a bridge between active and nonactive members. We are excited about the possibility of being an evangelistic tool for the Lord in your behalf. Thank you for prayerfully considering us to allow us to share a spiritual blessing in musical praise with your congregation or at your event.

For more information or specific questions you may call the number below toll free, write, email or go to the website at [www.morningsong.org](http://www.morningsong.org). Please check your calender and, if the Lord impresses, we would love to hear from you and schedule a visit.

## BIOGRAPHY

Vonda was born in the town of LaFayette, Indiana in November 1964. A short time later, her family moved to the southeast where she spent the remainder of her childhood years.

The gift that the Lord has given Vonda first became evident during a fifth-grade choir audition. While listening to the group sing, the choir director heard Vonda's clear, sweet voice and asked her to sing solo. Following the session she called Vonda aside to tell her, "The Lord has given you a gift, I've never heard such a beautiful voice in a young child."

During her high-school years, Vonda enjoyed singing with the Camorada, a select group of singers who traveled on weekends to share their love for Christ through music. By God's leading, Vonda emerged as the soloist for their concerts.

Following high school Vonda attended Southern College in Collegedale Tennessee where she met her husband Merlin. Over the years of their marriage they have been blessed with four wonderful children; Nikki, Meranda, Kaylie and Colton. Even in the midst of the challenges of raising her precious family, Vonda has felt the calling of the Holy Spirit to be "a light bearer" by sharing her God-given abilities. Her prayer was, "Lord, I don't know what to do or how to do it, but if You will lead I will follow." Since that prayer, the Lord has consistently and miraculously opened doors for her to witness through her music and she gives God all the glory.

Over the past few years Vonda has had the honor to sharing her music and testimony in person and by television and radio transmission to a wide variety of audiences throughout the world. These audiences include churches of all denominations, prisons, International ASI Conventions (Adventist-Laymen's Services and Industries), womens retreats, campmeetings and youth retreats.

Ministry over the air waves includes music from Vonda's CD's being aired on many Christian radio stations in the United States and to even larger audiences abroad. She is honored to be the featured vocal artist on The Quiet Hour's weekly broadcast, "Windows of Hope." Her music is frequently being aired on international satellite by Three Angels Broadcasting Network based out of West Frankfort, Illinois; "Purely Music" KSBN Safe TV out of Tontitown, Arkansas; "Let There Be Light" from the CTS Network in Burlington, Canada, and many other Christian stations. Highlights of media covered live events include: singing for numerous Net evangelistic telecasts; the Voice of Prophecy home coming video production in Orlando; Maranatha 2000; and 100 Huntley Street in Canada.

# What to expect for your Concert...

**Music presentation** ~ Vonda's music is primarily light inspirational interwoven with a mix of *praise, southern gospel, and hymns* that inspires the hearts of all ages. Her concert can be custom fit to the occasion or an audience. She performs her music primarily by track accompaniment but will be glad to sing with live instruments if they are requested and available.

**Concert Focus** ~ Vonda presents a non-doctrinal, Christ centered program with her focus on the wonderful love of God. The length of the program can be altered to fit your concert situation. Vonda combines personal testimony and Scripture to draw the attention of her listeners to the Spirit-filled messages found in the music. The concert emphasis is to inspire the congregation to seek a deeper relationship with the Lord. It is our prayer that every opportunity will be taken by the individual or concert committee arranging our visit to make the soil fertile by advertising in the local churches, and to the community.

**World Evangelism** ~ Vonda is privileged to be a vocalist and spokesperson for The Quiet Hour—a non-profit ministry dedicated to proclaiming the gospel to the world. Their many outreach ministries include international television and radio broadcast, worldwide mission outreach, health education training and resources, Bible correspondence school, publishing ministry, and much more. As The Quiet Hour vocalist Vonda is privileged to record production music for their radio and television broadcasts, participate in international evangelistic crusades, provide music for Ambassadors of Hope spiritual retreat weekends, and more. **Local Evangelism** ~ It is our prayer that our music presentation will be used as a church and community outreach. Our music provides an opportunity for members to invite friends into a church environment which is not intimidating. Music provides a common link between denominations and serve as a bridge between active and non-active members. We are excited about the possibility of being an evangelistic tool for the Lord in your behalf.

**Sound** ~ Many years of music ministry experience combined with feedback from pastors and congregations has helped Vonda select a sound system that enhances rather than distracts from the central focus of the program – ministry. Our sound person is sensitive to the sound levels of each and every song and constantly monitors them throughout the entire concert ensuring that the volume is appropriate for each particular audience.

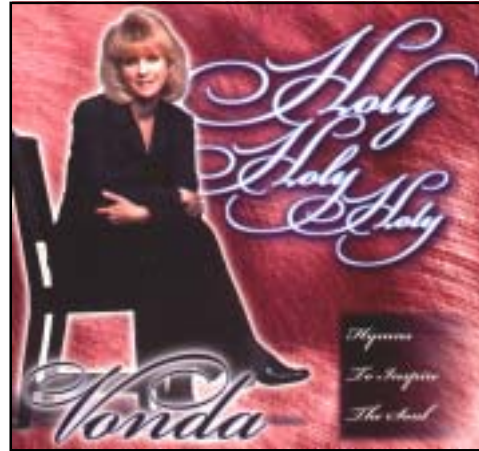

**Product Sales** ~ When the time and location of the event allows we greatly appreciate the opportunity to make our music products available so that this ministry may continue. Our product table contains CD and cassettes from Vonda (see enclosed sheet) and other Morning Song artists.
